The attached is in response to your 8 October request that we furnish the House Select Committee with an example of a detail arrangement between this Agency and another Government organization.

Mrs. [redacted] has prepared three examples of details in (employees of other Government agencies detailed to CIA) and three examples of detail-out arrangements (bonafide CIA employees detailed to other Government entities). I feel it would be best to select one of the details out - [redacted]

I have checked with Mr. Robert [redacted] of CCS, who advises me that these are overt employees.

After you make your selection, you may wish to let the sponsoring component know that you are furnishing the name of one of their detailed employees to the House Select Committee.

Executive Assistant to the
Director of Personnel

Bob--
Thanks for the quick action on this. I selected the OER to State [redacted] and coordinated with the DD/OER. Herewith the remainder.
